Projects

- VILLAGE TOURISM**
The village tourism takes place in country side, in non-urban situation, offering opportunity to the stressed out tourists from urban areas and foreign countries to be back in the lap of nature , to relax and discover their roots. The first hand experience of simple rural life, steeped in traditional culture , unpolluted and natural environment revives the tourists.
Already so many websites available for tourism, but our website provides some special features such as tourism spot locating, fair charge, taxi availability, secure stay homes, homely meals etc. Our website more prefer village oriented tourism with less economical feature that helpful for the tourist who will search happy tourism with low budget.
